

27 Juillet – 18h00

Heures locales dans le document

Local time in the document

Conditions at the start

- Brise thermique de NNE à NE 6-10 nœuds rentre entre 12h00 et 13h00
- Si dégagé en mer et cumulus à terre, ça peut forcir.
- Si partiellement couvert, ça restera plus faible

- Sea breeze from NNE to NE 6-10 knots fills in between 12 and 1 PM.
- If clear sky with cumulus inland, it could increase
- If partly cloudy, it will remain light

- Dépression dans le Nord Ouest de l'Irlande avec deux fronts ou trois fronts
- Low pressure North West of Ireland with two or three fronts

- Brise thermique sur la bande côtière pour le départ

- Sea breeze along the coast for the start

- Zone de calme avant de retrouver le vent d'Ouest Sud Ouest

- Very light wind zone before you get the WSW wind

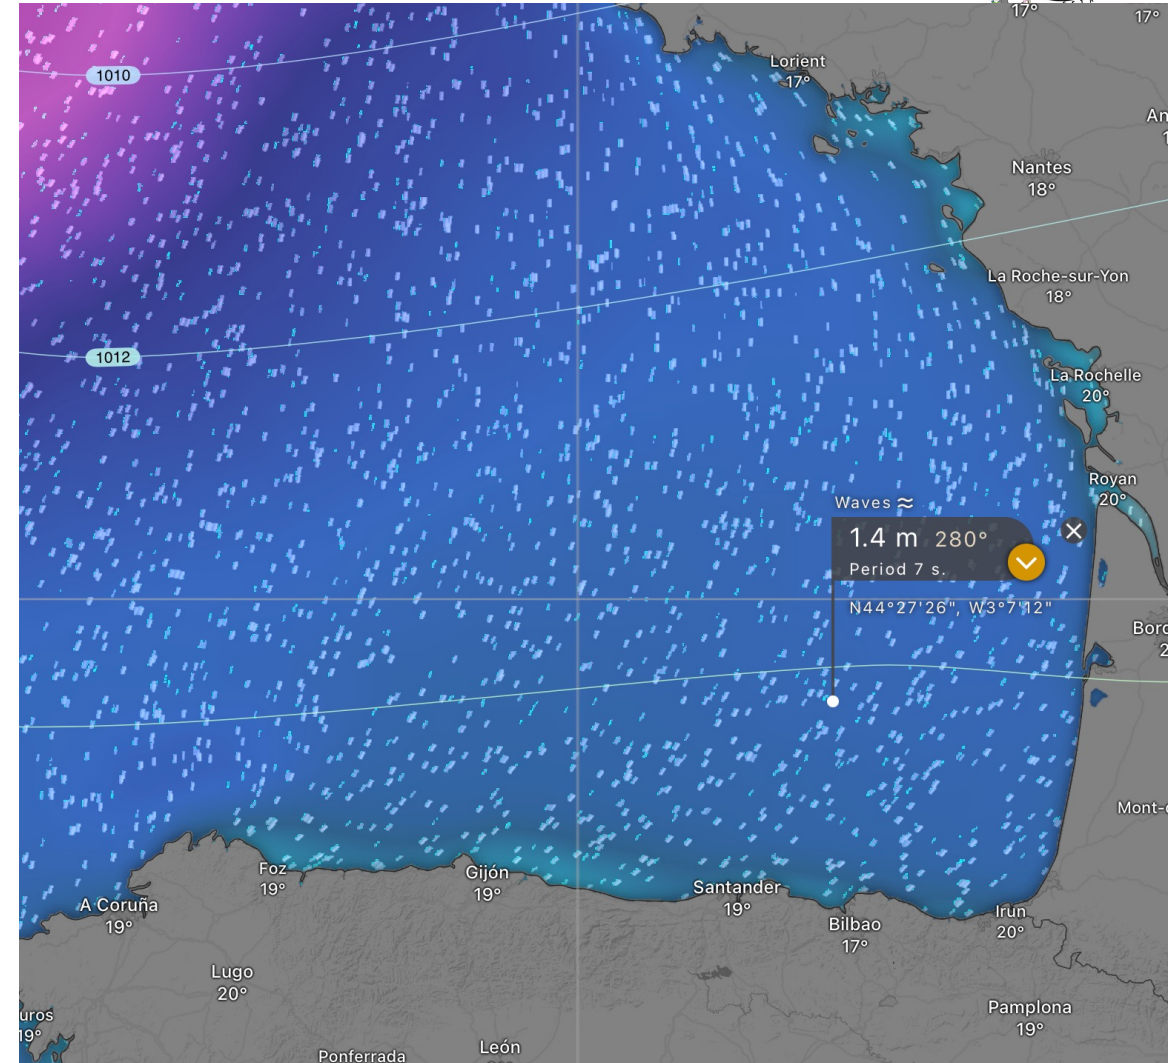

- Passage du 1^{er} front

- 1st front

July 29th / 00h00

- Le front 2 approche par l'Ouest
- Bascule à droite au passage du front 2

- Front 2 approaches by the West
- The wind veers (right shift) behind the front 2

- Arrivée dans la droite, après le passage du front 2

- Finish in the right wind after front 2

- Le front 3 se désagrège

- Front 3 desagregate
